

The Surrey Sailing Club is taking applications for CANSail instructors for the 2017 sailing season. SSC is located at Blackie Spit in Crescent Beach, Surrey, BC. and has a growing training program, active racing program including a junior race development program.

The Surrey Sailing Club offers CANSail 1-3 lessons to its members and the public in our fleets of Pirates, 420s and RS Teras. Our summer schedule includes a wide variety of evening and weekend courses for teens & adults and summer day camps for kids. All of our sailing courses are taught by Sail Canada trained or certified instructors with a very low student to teacher ratio. This is an excellent opportunity to be involved with a rapidly growing and developing program.
